PRODUCT FEATURES

The 512G is our flagship single lens camera with cam-corder-level technology packed into a handy dashcam for your vehicle. This is the worlds first dashcam with a polarizing filter to reduce the glare from the windshield. Partnering 6G lens and 140 degree view angle with Sony Exmor image sensor makes the 512G stand out from the crowd with the very clearest 1080P footage.

Featured highlights:

- o Polarizing Lens Filter combats windshield glare.
- o Sony Exmor sensor for best image processing for cameras.
- o 6G camera lens for clarity across its 140 degree view angle.
